ACCIDENTS AT WORK

If you have been injured in an accident at work you may be entitled to compensation. A claim can be brought if the accident happened within the last three years and it was not your fault or you are only partly responsible for the accident. You could be entitled to recover compensation for the injuries you have sustained and recover any loss of earnings incurred as a result of the accident.

If you would like to discuss your Accident at Work claim, free of charge, please contact Kirsten Woodgate.
